Hurler With Arndt's Club in 1912 Will Report-Vaiden Writes He's in Fine Shape.

Leonard J. Madden, leading pitchr with the South Bend club in the Central league in 1912 when Harry Arndt was manager has been signed Mgr. Smith and will be given a thorough tryout with the local team this year. He sent in his signed contract Tuesday.

Smith heard from two other hurlers Tuesday. Vaiden writes from his home at Vaiden, Miss., that he is in good shape and that he feels like pitching every other day. He says that he likes work and informs Smith that he expects to have a good year this season and is figuring on having his wins lead his

work that he was ripe for faster company. Smith is confident Herb has the stuff needed to make him a winner in the Central this season.

Has Nine Hurlers. Madden's coming gives Smith nine pitchers. Three of these are scuthpaws. Madden hurls from the offside as does Ashenfelter and Darmody. These three men will likely hight it out for the southpaw job as the chances are Smith will carry only one left-hander.

Madden had a good year with Terre Haute in 1914 although he was on a second division team, He won 13 and lost eight games that season and was called on several fimes to relieve other hurlers. Last season he reported to Terre Haute. but did not get away good and failad to finish the season.

He writes Smith that he has been working all the winter in the police and fire department telegraph at Toledo and that he is in good shape. A few weeks' training, he says, will bring his arm back to condition and

A lively battle is due in New York this season with the Yankees and Giants battling for popularity. The Yanks have added a number of good men, chief among them being Home Run Baker, while the Giants have gone out and picked off Benny Kauff and Eddig Rousch, two of the prize stickers in the old Federal league. Both teams should be stronger this year than last, and no doubt will pack the park often during the

MONOGRAM MEN OF

N. D. FORM CLUB

Hugh O'Donnell of Grand Rapids Elected President.

Organization of a Notre Dame monogram club has been effected and officers chosen for the remainder of the scholastic year. The following

are the officers selected: Honorary president -- Rev. Matthew J. Walsh, vice president of the uni-

President-Hugh O'Donnell, Grand Rapids, Mich.

Vice president - Harry Baujan, Beardstown, 11L

Secretary-treasurer - Russell

Hardy, Kansas City, Mo-O'Donnell and Baujan are both football men, the former being

varsity center last fall, and Baujan right end on the university team. Hardy is a sprinter on the Notre Dame track team. All students of Notre Dame who

have won their letter in any branch of athletics are members of the club. Practically all of the leading universities in the country have such organizations. The purpose of the new mono-

gram club will be to bring the athletes into closer relationship socially as well as in an athletic way. A banquet may be given by the club during commencement time for its members and for monogram men of former years who attend the graduation exercises.

Because of the rainy weather, there were no outdoor athletic activities at Notre Dame yesterday. Coach Harper gave his baseball men a fast workout in the gymnasium and Track Coach Rockne had his cinder path athletes working out inside. Members of the Notre Dame prep and South Bend high school track teams, who will clash in a dual meet in the Notre Dame gym this week, were also out getting in shape for the coming event. Spring football practice was again postponed because of the weather.

BALL GUIDE OUT. The 40th annual issue of the Spalding Baseball Guide has just been published, and, as for a number of years past, is edited by John B. Foster of New York, whose long connection with the national game. both as a writer and in an executive

capacity, makes him peculiarly fitted for the position. Although the number of leagues in organized ball that went through last season was smaller than for years past, the size of the Guide has not been decreased. Besides the usual chapter on the world series, with accompanying sketches of the players on the contending teams, the contents also include views of the season in the National league by Editor | Foster and the American league by Irving E. Sanborn of Chicago, while the other leagues that finished the season are all represented by short accounts of the activities in their various organizations.

International News Service: ST. PETERSBURG, Fla., March 28.—The Phillies and Cubs clashed in the final game of their series here today and Pat Moran's crew were eager to make it seven straight. The Phillies won yesterday, 8 to 7.

FROM RUPTURE

DO YOU SUFFER

Ninety per cent of the human race suffer from one of these dreadful diseases. If you are one of them you should consult me at once. Delay is dangerous. I positively cure without the use of a knife. Hundreds of my patients are ready to testify as to my ability to cure, and I can furnish unlimited testimonials on file in my office.

Consider this. The reasonable fee asked stays right in your bank until you are CURED. You assume no risk. You are subjected to no pain. You are exposed to no danger. You waste no valuable time. You secure life-long protection. An ideal method of treatment, ideally presented. There is not one single objection. Not one sound, togical reason you should not accept my offer and be cured. Accept it now.

time you call. WHERE HUNDREDS HAVE BEEN CURED IS A SAFE PLACE FOR YOU TO GO.

We will accept any case of Rupture, Piles, Varcocele or Hydrocele and permit you to deposit a draft in the First National Bank, or your Bank, made payable to yourself and instructing them to place same to our account after you have been cured. We are the only reputable physicians in this line of work who will take such cases on a quarantee. By doing this, you are absolutely certain of a cure. You have nothing to lose and everything to gain, and if we were not perfectly sure of our work we could not do business this way very long, but instead, have been doing so for years. We have adopted this plan because so many have been swindled by quacks and fakers; not one of them will permit a patient to deposit his money until a cure has been effected.

Many patients have told us that at first they hesitate to begin treatment with us, fearing that on account of our great reputation the fee would be more than they could afford to pay. Our fees are always moderate, wholly within your means, and at no time more than you are willing to pay. DON'T let money matters keep you from beginning treatment. If you will call and see us we have a system by which you can begin treatment and pay as you can.
